

MOHAMMAD ELHAM AZIMI

Digital Skills & Livelihoods | Digital Entrepreneurship | AI & Web Development

Kabul, Afghanistan | +93 733 130 0010 | elham.azimi.afg@gmail.com | Afghan

PROFESSIONAL PROFILE

Digital-focused professional with 8+ years of combined experience across project management, education, digital entrepreneurship, content creation, freelancing, social media marketing, and technology. Built and managed online businesses, trained learners, supported international clients, led a 10-person production team, and developed AI-enabled digital platforms using OpenAI and YouTube APIs. Hands-on experience spans freelancing, YouTube growth, digital marketing, web development, AI automation, e-commerce, international payment systems, and online learning. Currently pursuing a second bachelor's degree in Software Engineering with a 95/100 GPA.

PROFESSIONAL EXPERIENCE

Project Manager | Pixel Production

March 2018 - July 2020

- Managed television-commercial, branding, TV-content, entertainment-program recording, and commercial-advertising projects from planning through production delivery.
- Led and coordinated a 10-person production team, assigning responsibilities, tracking deliverables, and maintaining production timelines.
- Communicated directly with clients, translated requirements into production tasks, and supported budget oversight and resource planning.
- Supervised production quality and coordinated work across creative and technical contributors to deliver client projects.

Manager | Keyhan-e-Noor Educational Center

2020 - 2022

- Led strategic educational initiatives, supported curriculum development, coordinated staff, and engaged with students and stakeholders.
- Promoted continuous improvement, innovation, and a supportive learning environment focused on student outcomes.

Inspirational Speaker & Mentor | Stichting Paymaan

August 2020 - 2022

- Supported orphaned children through motivational talks, mentorship, educational encouragement, and assistance with learning-related needs.
- Worked alongside the organization to help create opportunities and strengthen students' confidence, resilience, and commitment to education.

ESL Instructor | Muslim English Language Institute

July 2022 - August 2023

- Taught English language skills to students and supported learner progress through structured instruction and individualized guidance.
- Developed communication and facilitation skills through classroom teaching and direct learner support.

Founder & Teacher | Elham Online Academy

2023 - Present

- Founded an online learning initiative delivering English, mathematics, and YouTube-automation training through Zoom and Google Meet.
- Reached more than 80 direct students and developed practical, accessible online learning sessions.

Content Creator & Digital Entrepreneur | YouTube / YouTube Money Farsi

2023 - Present

- Built and operated multiple YouTube channels, working across content strategy, research, scripting, editing, thumbnails, SEO, analytics, audience development, and monetization.
- Built YouTube Money Farsi from zero and achieved YouTube monetization within three published videos after iterative testing and previous channel failures.
- Worked on more than 10 channels, including personal and client projects, and created 100+ videos using AI tools, Adobe Premiere Pro, and CapCut.
- Developed the channel into a broader digital-services business serving YouTube creators.

Freelancer - YouTube Services | Fiverr

2024 - Present

- Delivered video-editing and thumbnail-design services to international clients, including clients in the United States.
- Completed approximately 10 projects for 5 international clients while balancing client work with independent digital-business projects.

Social Media Marketer & Graphic Designer | Share-e-Elm Educational Complex

2024 - 2025

- Managed Facebook and Instagram content, promoted educational services, designed promotional materials, and planned social campaigns.
- Responded to audience inquiries and supported the organization's digital presence using Photoshop and Canva.

YouTube Channel Manager | Grow The Social LLC

August 2025 - October 2025

- Managed a client YouTube channel and edited podcast video content under a regular \$1,000/month engagement.
- Used YouTube Analytics, VidIQ, Adobe Premiere Pro, and CapCut to support channel performance and publishing workflows.

Owner & Digital Platform Builder | YouTube Money Farsi

2026 - Present

- Built and operate a live digital-services platform for YouTube creators, combining web development, subscriptions, digital products, courses, services, and customer accounts.
- Integrated OpenAI API and YouTube API capabilities, with payment workflows using Stripe, OxaPay, and HesabPay for different customer needs.
- Manage the business side, service delivery, product development, customer experience, and ongoing platform improvement.

SELECTED DIGITAL ENTREPRENEURSHIP & TECHNICAL PROJECTS

AI-Powered YouTube Services Platform | 2026 - Present

- Designed and launched a cinematic, 3D-scrolling website and digital-services platform for content creators, integrating AI, YouTube data, user dashboards, subscriptions, digital products, and online payments.

Custom YouTube Automation Helper | Independent project

- Developed a Python-based custom automation helper to streamline repetitive YouTube workflow tasks and improve personal content-production efficiency.

Dropshipping E-commerce Business / InfinitX LLC | Independent venture

- Built a Shopify store, listed products, created a digital marketing funnel through Facebook and Instagram, and generated approximately \$1,000 in sales; incorporated the business as InfinitX LLC.

EDUCATION
